Prevention of armed conflict

Security Council
Sixty-ninth year

Letter dated 20 October 2014 from the Permanent Representative of Armenia to the United Nations addressed to the Secretary-General

Upon the instructions of my Government, I am writing to draw your attention to the ongoing violations of the ceasefire by the armed forces of the Republic of Azerbaijan recorded for the month of September 2014 (see annex).

The irresponsible provocative actions of Azerbaijan, including sniper shelling during the reporting period resulted in the death of soldier Mher Hakobyan on 18 September, while soldiers Valer Khachatryan and Narek Darbinyan were wounded on 27 and 29 September 2014, respectively.

Armenia strongly condemns these continued provocations and the meaningless use of force by Azerbaijan and calls upon the latter to strictly observe the ceasefire regime.

I kindly request the present letter and its annex be circulated as a document of the General Assembly, under agenda item 32, and of the Security Council.
